

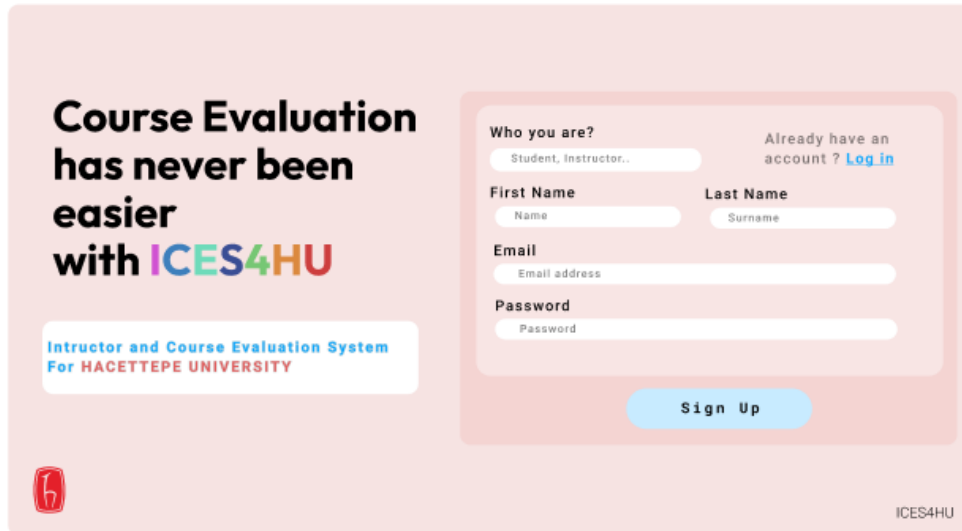

GRAPHICAL USER INTERFACE DESIGN TEMPLATE

User Interface/Report Number: Signup
Related Use-Case: 1

The image shows a web page for the 'Course Evaluation' system. On the left, there is a heading 'Course Evaluation has never been easier with ICES4HU' and a subheading 'Instructor and Course Evaluation System For HACETTEPE UNIVERSITY'. On the right, there is a 'Who you are?' section with a dropdown menu for 'Student, Instructor..'. Below this, there are input fields for 'First Name', 'Last Name', 'Email', and 'Password'. A 'Sign Up' button is at the bottom right. A 'Log in' link is also present for users who already have an account. The page includes a red logo in the bottom left and 'ICES4HU' text in the bottom right.

 ICES4HU

The system displays the login page to the user.

User Interface/Report Number: Manage Profile

Related Use-Case: 4,5

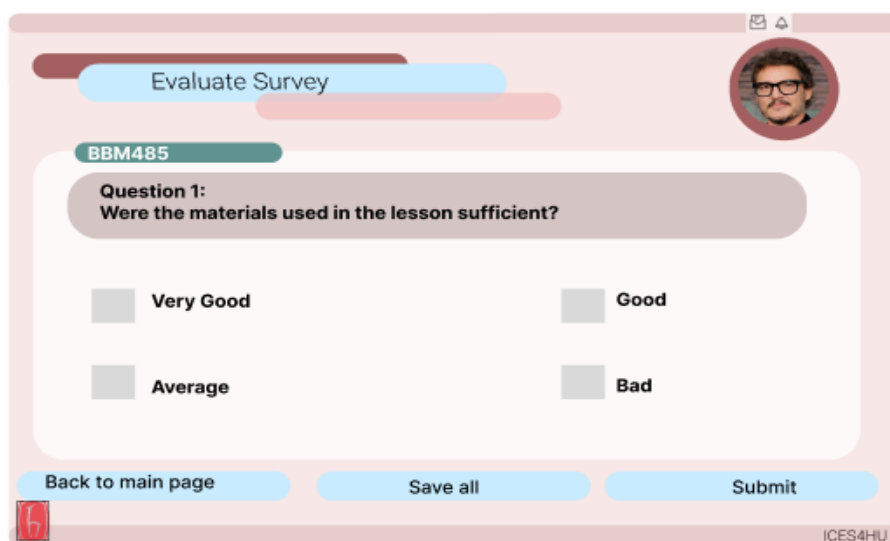

The 'Manage Profile' UI mockup features a light pink background. At the top left, a blue pill-shaped button contains the text 'Manage Profile'. In the top right corner, there is a circular profile picture of a man with glasses and a mustache. Below the profile picture is a teal rounded rectangle with the text 'Change the profil picture' and a light blue rounded rectangle with the text 'Upload picture'. On the left side, a white rounded rectangle titled 'Personal Informations:' contains three rows, each with a grey square icon and a button: 'Edit the adress', 'Edit phone number', and 'Change the password'. At the bottom left, a blue button says 'Back to main page', and at the bottom right, a blue button says 'Save all'. A small red icon with the number '6' is in the bottom left corner, and the text 'ICES4HU' is in the bottom right corner.

The user navigates to the account information section of the system. The user clicks the "Save all" button to save the changes.

User Interface/Report Number: Evaluate Survey

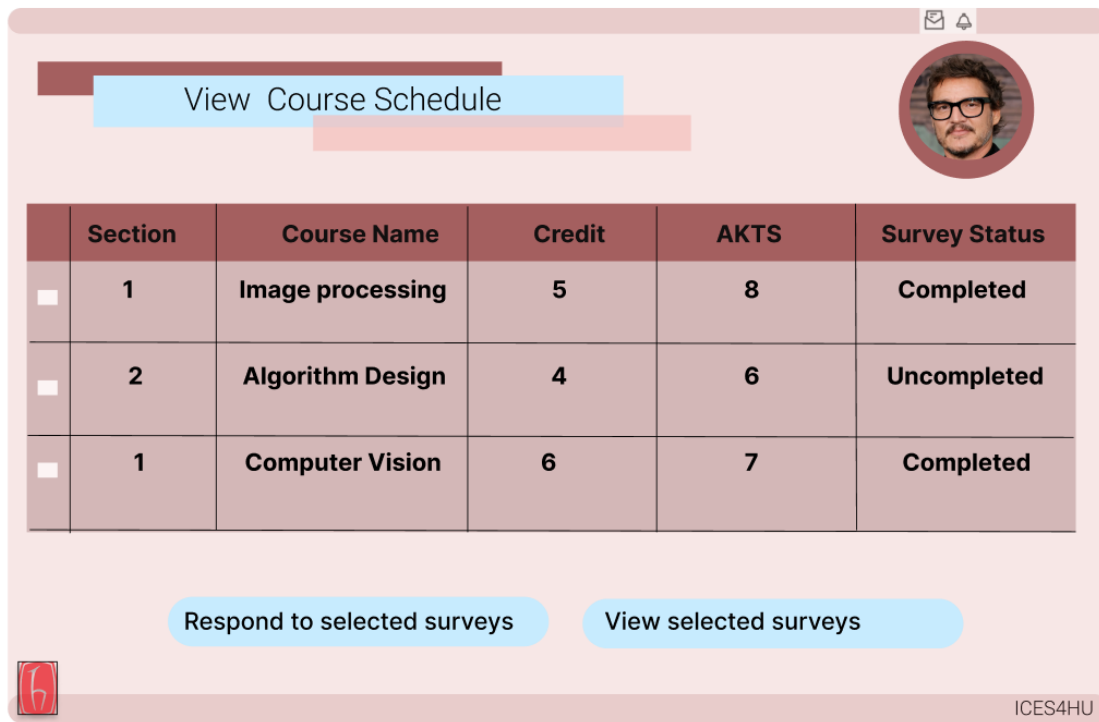

Related Use-Case: 6, 8

The 'Evaluate Survey' UI mockup has a light pink background. At the top left, a blue pill-shaped button contains the text 'Evaluate Survey'. In the top right corner, there is a circular profile picture of the same man. Below the profile picture is a teal rounded rectangle with the text 'BBM485'. Below that, a white rounded rectangle contains the text 'Question 1: Were the materials used in the lesson sufficient?'. Underneath the question are four radio button options arranged in a 2x2 grid: 'Very Good', 'Good', 'Average', and 'Bad'. At the bottom left, a blue button says 'Back to main page', in the center a blue button says 'Save all', and at the bottom right a blue button says 'Submit'. A small red icon with the number '6' is in the bottom left corner, and the text 'ICES4HU' is in the bottom right corner.

The student goes to view course schedule page and selects "Go to Evaluation" to see this page.

User Interface/Report Number: View Course Schedule
Related Use-Case: 7 ,6

The mockup shows a user interface for viewing a course schedule. At the top, there is a navigation bar with a "View Course Schedule" button. To the right of the button is a circular profile picture of a man with glasses. Below the navigation bar is a table with the following data:

	Section	Course Name	Credit	AKTS	Survey Status
<input type="checkbox"/>	1	Image processing	5	8	Completed
<input type="checkbox"/>	2	Algorithm Design	4	6	Uncompleted
<input type="checkbox"/>	1	Computer Vision	6	7	Completed

Below the table are two buttons: "Respond to selected surveys" and "View selected surveys". At the bottom left is a small red icon, and at the bottom right is the text "ICES4HU".

The student selects the "view course schedule" button. Then the student is redirected to the corresponding page.

User Interface/Report Number: Create Electronic Survey

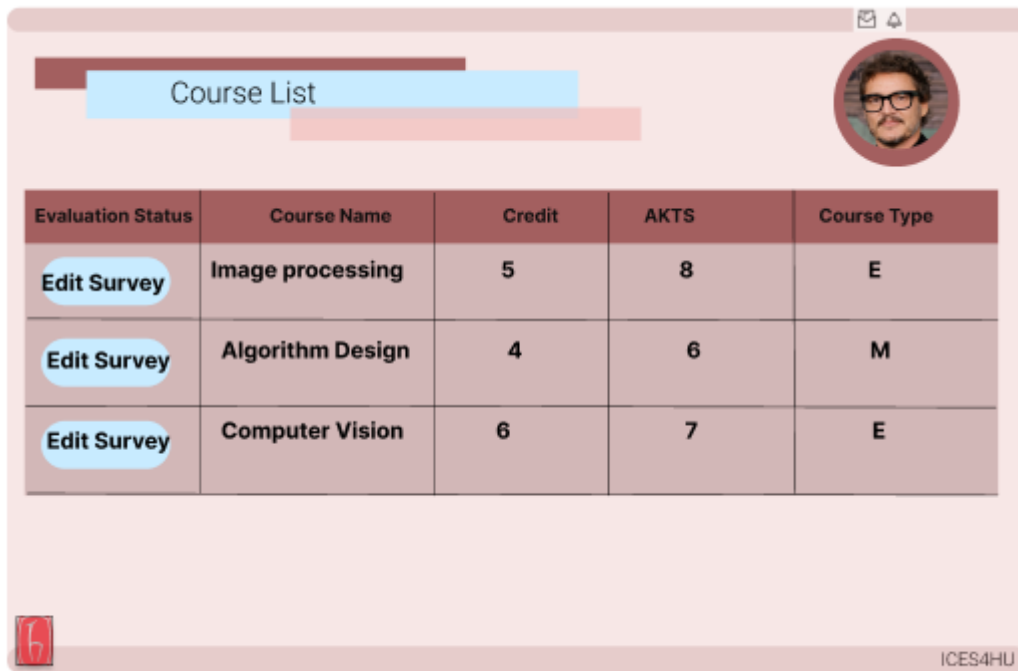

Related Use-Case: 9

The screenshot displays a web application for creating a new survey. At the top, a navigation bar includes a 'Create New Survey' button and a user profile picture. The main content area is divided into two columns. The left column, titled 'Questions to add:', contains a text input field with the placeholder 'Write your questions that you want to add to survey here.' and an 'Add' button. Below this is a 'Save All Questions' button. The right column, titled 'Choose from the question bank:', contains a list of three questions: 'Question 1', 'Question 2', and 'Question 3', each followed by an 'Add' button. At the bottom of the interface, there are two buttons: 'Preview Survey' and 'Submit Survey'. A small red icon with the number '6' is visible in the bottom left corner, and the text 'ICES4HU' is in the bottom right corner.

The instructor initiates this survey creation process by selecting the “Create New Survey” button in his/her home page.

Prior to submission, the instructor has the option to preview the survey. They can preview the survey using “Preview Survey” button. The instructor submits the survey to the system by selecting the "Submit Survey" button.

User Interface/Report Number: Electronic Survey
Related Use-Case: 9, 10, 15, 20

The screenshot shows a web interface with a header bar containing a 'Course List' title and a user profile picture. Below the header is a table with five columns: Evaluation Status, Course Name, Credit, AKTS, and Course Type. Each row in the table has an 'Edit Survey' button in the first column. The table lists three courses: 'Image processing' (5 credits, 8 AKTS, E type), 'Algorithm Design' (4 credits, 6 AKTS, M type), and 'Computer Vision' (6 credits, 7 AKTS, E type). A red square icon is visible in the bottom left corner of the interface, and the text 'ICES4HU' is in the bottom right corner.

Evaluation Status	Course Name	Credit	AKTS	Course Type
Edit Survey	Image processing	5	8	E
Edit Survey	Algorithm Design	4	6	M
Edit Survey	Computer Vision	6	7	E

Saves individual questions and/or all questions to continue the survey creation process at another time. After that, s/he can continue this process by clicking "Edit survey" button on the course/instructor survey list.

1. Distribution of Tasks

In our GUI design interface, we had a discussion regarding the design principles and general design that we are going to have in our interface in the meetings that were led by Duygu Sena Öztürk and Gamze Ergin. In the design process, Duygu Sena Öztürk and Gamze Ergin worked collaboratively together. They designed it using an online visual paradigm tool.
